College Connection

College Connection is a dating website for college and university students. Read Sophie's profile on the website.

My name's Sophie and I'm 26 years old. I'm from London and I'm single. I'm studying Film Studies at York University – it's really interesting. My dad is an actor and my mum is a film director so I grew up watching movies. I

want to work in cinema when I leave university – as a film director, too.

I have a nice group of friends at university. My best friend Anna is studying here too. We all get on well. We go out to the cinema together every Friday night and on Saturdays we like going out to restaurants or music bars. I also love cooking for my friends. Most of my friends love shopping for clothes and jewellery, but I prefer making my own. It's cheaper and more fun.

I don't like playing sports very much, but I like watching football on TV. My favourite team is Chelsea. I'm into yoga at the moment and I try to eat lots of healthy food.

I'm quite a sociable person. My friends say I'm very talkative! I've got long dark hair and green eyes, and I'm quite tall. I'm looking for a partner who is fun, sociable, and kind. I'd like to meet someone who has a good sense of humour and who is tall, too!

Would you like to go on a date with me? If so, I'm waiting for your reply!

My holiday disaster

Although I work in the centre of London now, I like going to the mountains when I can. Last winter I decided to spend a week in Scotland. I wanted to go skiing and walking in the mountains. I looked on the internet and booked a cottage (a small house) for a week. One Friday night last November, I packed my bags, went to Heathrow airport, and waited to get on a plane to Inverness.

Then the problems started. The plane didn't leave that night. There was a lot of snow in Scotland and they closed Inverness airport. So I spent the night in Heathrow. I drank a lot of tea and read a lot of newspapers. I tried to sleep but I wasn't comfortable. Next morning, Inverness airport opened again, and we arrived in Scotland. But my bags weren't there.

I hired a car and drove to the cottage. It was a twenty-minute drive from the airport. When I arrived, there was a family with two little children in the cottage! They booked on the internet, too – for the same week. The family was very kind. They said I could sleep in the lounge, and they cooked dinner for me.

Next day, I got my bags from the airport and decided to go skiing. But the mountain road was closed because of the snow. I didn't ski and I didn't go walking in the mountains. I spent the week in the cottage waiting to go home – it wasn't my favourite holiday!

- 1 How did the writer book the cottage?
- 2 What was the weather like in Scotland?

1. The writer booked the cottage on the internet.

2. It was snowy.

3. The writer read a lot of newspapers at the airport.

4. The author hired a car and drove to the cottage.
