Peoples' Friendship University of Russia

PROGRAM

14:10 – 14:20

**The case of bacillary angiomatosis
in an HIV-infected patient: features of
the clinical picture, dynamics of the course of
the disease against the background of
etiotropic treatment**

Klementev Aleksandr Maksimovich,
6th year student, Faculty of Medicine

Scientific Supervisor: I.V.Davydova MD, PhD, associate professor
FSBEI HE A.I. Yevdokimov MSMSU MOH Russia

14:20 – 14:30

**Clinical case report of
hemorrhagic fever with renal syndrome**

in English

Kozhev Alexey Ivanovich, 6th year student,
N.V. Sklifosovskiy Institute of Clinical Medicine

Scientific Supervisor: N.N.Kanshina MD, PhD, associate professor
I.M. Sechenov First Moscow State Medical University
(Sechenov University)

14:30 – 14:40

**A clinical example of a fatal outcome of
bullous hemorrhagic erysipelas on the
territory of Moscow**

Kotova Maria Vladimirovna,
6th year student, Faculty of Medicine

Scientific Supervisor: I.V.Davydova MD, PhD, associate professor
FSBEI HE A.I. Yevdokimov MSMSU MOH Russia

SECHENOV
UNIVERSITY

PROGRAM

14:40 – 14:50

**Clinical case: Acute viral hepatitis A,
icteric form,
moderate course**

Serebryakova Nina, 5th year student,
N.V. Sklifosovskiy Institute of Clinical Medicine
Scientific Supervisor: N.N.Kanshina MD, PhD, associate professor
I.M. Sechenov First Moscow State Medical University
(Sechenov University)

14:50 – 15:00

Conference break

15:00 – 15:10

**Description of a clinical case of
salmonellosis, gastrointestinal form,
gastroenteric variant**

Gasanova Victoria, 6th year student, Faculty of Medicine
Scientific Supervisor: I.V.Davydova MD, PhD, associate professor
FSBEI HE A.I. Yevdokimov MSMSU MOH Russia

15:10 – 15:20

**Description of the clinical case acute
viral Hepatitis B**

Zabudkina Varvara Викторовна, 6th year student,
N.V. Sklifosovskiy Institute of Clinical Medicine
Scientific Supervisor: N.N.Kanshina MD, PhD, associate professor
I.M. Sechenov First Moscow State Medical University
(Sechenov University)

15:20 – 15:30

**Features of the clinical course of COVID-19 in
a patient with co-infection and
immunosuppression**

Shtefan Pavel Dmitrievich, 5th year student, Faculty of Medicine
Scientific Supervisor: O.A.Burgasova MD, PhD, professor
Peoples' Friendship University of Russia

PROGRAM

15:30 – 15:40

Description of a clinical case of generalized candidiasis with damage to the liver, spleen, right kidney

Tagizade Arzu, 6th year student, Faculty of Medicine

Scientific Supervisor: I.V.Davydova MD, PhD, associate professor

FSBEI HE A.I. Yevdokimov MSMSU MOH Russia

15:40 – 15:50

Description of a clinical case of erythematous erysipelas of the right lower limb, moderate-severe course, the first early relapse in a patient with psoriasis

in English

Nikitina Alexandra, 6th year student,

N.V. Sklifosovskiy Institute of Clinical Medicine

Scientific Supervisor: N.N.Kanshina MD, PhD, associate professor

I.M. Sechenov First Moscow State Medical University (Sechenov University)

15:50 – 16:00

Clinical case of the effect of taking quinine-containing drinks on the course of malaria

Fedoseeva Svetlana, 5th year student, Faculty of Medicine

Scientific Supervisor: I.V.Davydova MD, PhD, associate professor

FSBEI HE A.I. Yevdokimov MSMSU MOH Russia

SECHENOV
UNIVERSITY

PROGRAM

16:00 – 16:10

Description of a clinical case of tick borreliosis in the stage of early dissemination

Melnikova Polina, 1st year student,

N.V. Sklifosovskiy Institute of Clinical Medicine

Scientific Supervisor: N.N.Kanshina MD, PhD, associate professor
I.M. Sechenov First Moscow State Medical University
(Sechenov University)

16:10 – 16:20

Description of a clinical case of mumps and chronic acquired Epstein-Barr virus infection

Semenuk Galina, 6th year student, Faculty of Medicine

Scientific Supervisor: I.V.Davydova MD, PhD, associate professor
FSBEI HE A.I. Yevdokimov MSMSU MOH Russia

16:20 – 16:30

Reactivation of chronic Epstein-Barr viral infection. Epstein-Barr viral hepatitis

Shitova Anna, 6th year student,

International School "Medicine of the Future"

Scientific Supervisor: N.N.Kanshina MD, PhD, associate professor
I.M. Sechenov First Moscow State Medical University
(Sechenov University)

16:30 – 16:40

Summing up the results.
Closure of the conference
