

Winter School Program Book 2024

About TUMS

TUMS traces its roots back to 1851, as part of the Institute for Higher Education (*Dar-ol-Fonoon*). The School of Medicine, as the first school of University of Tehran, was established in 1934 and in 1986 all medical schools carried on their activities independently as Tehran University of Medical Sciences.

TUMS is the oldest international medical center in Iran. With 109 research centers and around 1,912 faculty members, TUMS educates about 13,000 students annually in various levels and majors. TUMS has 10 schools, namely Allied Medical Sciences, Advanced Technologies in Medicine, Dentistry, Medicine, Nutritional Sciences and Dietetics, Nursing and Midwifery, Pharmacy, Public Health, Rehabilitation, and Persian Medicine plus an international campus in Kish Island, a branch in Karbala and an office in Sulaymaniyah, Iraq. The university has received the first rank among the universities of medical sciences in Iran for many years. It has also proved itself in the international arena, receiving notable ranks in the region, in Asia and around the world.

TUMS International Winter School 2024

School of Medicine

School of Pharmacy

School of Persian Medicine

27 January – 01 February

School of Dentistry

03 – 07 February

A unique Winter School experience awaits you. Join us this Winter in the capital of Iran. Study at a world-class university in Tehran. TUMS offers you the opportunity to explore and develop your talents in a fun and creative way. It is designed for students who want to gain a broad range of experiences, those who want to explore a specific creative skill in depth, or students who want to discover their talents and potential.

During TUMS Winter School, students explore the different aspects of medical science within the framework of Tehran University of Medical Science and in different schools: School of **Medicine**, School of **Pharmacy**, School of **Dentistry** and School of **Persian Medicine**.

The creative atmosphere follows a pioneering concept that offers students the opportunity to have many different experiences, to gain new skills and insights and to discover themselves, but also to dive deep into a specific area of their interest, offering both breadth and depth.

All of this is a unique experience that is fun, meaningful and memorable.

TUMS Winter School offers a rich program that includes study, stay, training and free outdoor activities, with the opportunity to explore many magnificent areas of the beautiful city of Tehran.

Iranology Program

We invite you to take part in a free Iranology course at TUMS International College. The course is offered on (Thurs. Feb. 01, 2024). It includes “An Introduction to Persian Language” along with a museum tour and free lunch in a traditional restaurant.

Tehran Sightseeing Tours

One of the few places in the world that experiences all four seasons is Iran. While studying at TUMS you will have the chance to participate in and witness one of the most enjoyable adventures of your life. During TUMS Winter School, we invite you to see some of many well-known tourist destinations in Tehran.

Saadabad Palace

We would highly recommend a visit to Saadabad Palace, if you want to be enchanted by Iranian architecture or spend the day admiring one the most magnificent and wonderful palaces in the world.

Day/ Time	Fees/ USD
Sun. Jan. 28, 2024	Free

Milad Tower

The Milad Tower is a multi-purpose building, proudly standing on the north of Tehran and visible from almost every part of the city. It is the tallest tower in Iran and the sixth-tallest in the world. It provides not only a bird's-eye view of the city but also some business activities and entertainment events. For regular visitors the main interest is the observation deck, located on the top of the head structure. It provides a panoramic -360degree view of the city and mountains. Besides, you can visit art gallery and museum of the tower. When you are on the top, you can visit a revolving restaurant, providing breakfast, lunch and dinner menu and an amazing opportunity to watch the city going around under your feet.

Day/ Time	Fees/ USD
Tue. Jan. 30, 2024	Free
