**Read the message about University Art Club.**

**Answer the questions.**

**Money for the University Art Club**

**Can you help?**

Our university art club needs money for our activities this year. We need money for things like trips to museums. We usually go to art museums four times a year and we choose a different museum each time. We see a lot of different kinds of art, and I think it's really useful for studying art.

We have special days when members of our club do different things to get money for the club. The first-year students wash cars in the park in town. People usually pay them £10.00 for each car. And they usually wash a lot of cars so they get a lot of money!

The second-year students make cakes and bring them to the park and the student centre at the university where people can buy them. They make the cakes themselves and sometimes their families help them. The cakes are usually £5.00 each and the students also make tea or coffee for people to have with the cake. Tea costs only £1.00 and coffee's £2.00.

Third-year and fourth-year students also go to the park. There, they draw or paint pictures of people. It only takes about 15 minutes to draw a person's picture. For £20.00, you can have a black-and-white picture. Or for £25.00, you can get a picture in colour.

We usually get about £600 on our special art club days. It's hard work, but it's fun, too.

If you want to help us, please come to the town centre next Saturday, 28th June. We can wash your car, you can have a coffee and some cake while you wait, and we can even paint your picture!

- 1) Why do university art club need money?
- 2) How often do they go to the art museums?
- 3) What do the 1<sup>st</sup> - year student do in order to raise money for the club?
- 4) Is the cake and a cup of tea expensive if you buy them from the second-year student?
- 5) What do the students of the 3<sup>rd</sup> and of the 4<sup>th</sup> year do in the park?
- 6) How much money does the art club raise during the special day?

1) They need money for things like trips to museums.

2) They usually go to art museums four times a year and each time they always choose a different museum.

3) The first-year students wash cars in the park in town. And they usually wash a lot of cars so they get a lot of money.

4) No, they aren't. The cakes are usually £5.00 each and the students also make tea or coffee for people to have with the cake. Tea costs only £1.00 and coffee's £2.00.

5) Third-year and fourth-year students draw or paint pictures of people there.

6) They usually get about £600 on their special art club days.

7) I can come to the town centre next Saturday, 28th June.

8) Yes, I do. I think that they do not only gather some money but they also have fun.

9) I might build up the stages or special rooms for them in the parks or I could write an article about them in the local newspaper.

<p>7) When can you participate and help the club paying for their service?</p> <p>8) Do you like the idea of raising money in such a way?</p> <p>9) If you were a student of this club, how could you help them?</p>
